ORDRES EN CONSEIL

RÈGLEMENTS pour permettre la mise en bouteilles des spiritueux en douane, conformément à la 46 Victoria, chapitre 15, clause 147.

1. Le département du revenu de l'intérieur pourra autoriser toute personne qui a obtenu une licence comme distillateur, à mettre en bouteilles les spiritueux, produits par sa propre distillerie, sujet aux règlements suivants :

2. Une partie de l'établissement de distillerie, approuvée par le département, doit être divisée en compartiments par des cloisons solides et fermées par les employés de la Couronne—telle partie de l'établissement ne devant servir qu'à cet usage seul.

3. Le distillateur n'aura accès dans le dit compartiment qu'en présence d'un officier du revenu de l'intérieur.

4. Le distillateur devra donner six heures d'avis de son intention de transporter des spiritueux du magasin d'entrepôt ou de la distillerie à la chambre où se fait la mise en bouteilles dont il a été parlé plus haut. Cet avis doit être entré dans un livre fourni à cet effet par le département.

5. L'avis devra définir (a) le nombre de barils que l'on se propose de déménager; (b) leurs marques et chiffres, leur poids net et en bloc ainsi que la tare, la quantité de gallons d'après l'étalon, la force à l'épreuve et le nombre de gallons contenus dans chaque baril séparément, suivant les marques posées conformément aux règlements du revenu de l'intérieur.

6. Les bouteilles dont on se servira, après avoir été lavées et séchées, seront pesées en présence de l'officier, qui devra en enregistrer le nombre et la pesanté totale dans un livre fournit à cet effet par le département.

7. L'officier devra ensuite peser un égal nombre de bouchons, affiches, ou tout autre objet se rattachant aux dites bouteilles, et en marquer la pesanté totale dans tel livre.

8. Le percepteur devra veiller avec soin à ce que dans chaque cas les conditions imposées par les clauses 28 et 29 des règlements concernant les magasins d'entrepôt, approuvés le 27 avril 1868 ou tout amendement s'y rapportant fait à une époque subséquente, soient fidèlement observées.

9. Les spiritueux ainsi entrés dans la chambre où se fait la mise en bouteilles, seront inscrits dans le livre No 2 des stocks des manufacturiers, et considérés comme sortis de la distillerie proprement dite, et la quantité ainsi transportée sera inscrite dans la colonne DR. du "Daily Record of Bottling."

10. La même quantité, lorsqu'elle sera mise en bouteilles sera inscrite dans la colonne CR. du livre des stocks No. 2, cité plus haut et notée en conséquence lorsqu'elle sera enlevée ou lorsqu'on en disposera d'une autre manière.

11. Les deux livres dont il est fait mention plus haut devront être balancés tous les mois.

12. Le distillateur devra fournir un réservoir ou des réservoirs ayant la capacité qu'il jugera nécessaire, et tous les spiritueux, avant d'être mis en bouteille, seront jetés dans ce réservoir à même lequel on remplira les bouteilles.

13. On ne pourra pas mettre dans ce ou ces réservoirs une quantité moindre que celle contenue dans le baril ou les barils sortis de l'entrepôt.

14. A la fin de chaque mois on devra faire l'inventaire dans la chambre où se fait la mise en bouteilles des spiritueux renfermés dans les barils non entamés, et de ceux non mis en bouteilles restant dans le réservoir ou les réservoirs; et l'évaluateur des douanes devra exiger l'entrée et percevoir les droits pour tout déficit qui pourra s'être produit pendant le mois.

15. Le distillateur devra, le premier jour de chaque mois, faire un rapport supplémentaire, suivant une formule que lui prescrira le département, et donnant les détails des transactions faites pendant le mois précédant la date de ce rapport nécessaire pour l'intelligence du dit rapport.

16. Les boîtes ou paniers dans lesquels les spiritueux mis en bouteilles seront placés ne doivent pas renfermer moins de douze bouteilles chaque.

17. On devra appliquer aux spiritueux ainsi mis en bouteilles, lorsqu'ils sont sortis de l'entrepôt ou transportés ailleurs, les clauses 143, 150 et 152 de l'acte 46 Victoria, chapitre 15, qui se rapportent à tel déménagement, et ces spiritueux en bouteilles seront sujets à tous les règlements et restrictions qui se rapportent aux autres spiritueux.

18. Chaque bouteille ainsi remplie portera une étiquette que placera le distillateur sur le bouchon qui descendra de chaque côté du goulot de la bou-

teille de manière à cacher complètement le bouchon et à empêcher que la contenu ne soit enlevé de la bouteille sans briser le cachet.

19. Les étiquettes seront fournies par le département et seront faites, d'après un dessin et avec les matériaux désignés par le département; elles seront fournies au distillateur sur la demande qu'il en fera au percepteur du Revenu de l'Intérieur, et la quantité qui sera requise de temps à autre pour usage immédiat. Le prix des étiquettes sera de une piastre (\$1.00) le cent.

20. Chaque boîte devra être marquée par le distillateur et indiquer le nombre de bouteilles, la quantité de gallons, la force et la preuve des gallons contenus, et aussi le numéro enregistré de la distillerie, le mois et l'année de la mise en bouteilles, et le numéro de la division du revenu de l'intérieur.

CONSEIL PRIVÉ,
Ottawa, 25 août 1883.

Je certifie que les règlements précités pour permettre la mise en bouteille des spiritueux en entrepôt, conformément à l'acte 46 Victoria, chap. 15, clause 147, ont été approuvés par Son Excellence le gouverneur-général en conseil ce 25e jour d'août 1883.

HOTEL DU GOUVERNEMENT.

Ottawa, lundi, 9 juillet 1883.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des douanes, et conformément au paragraphe 12 de la clause 230 de la loi passée en la session du parlement du Canada, tenue en la 46me année du règne de Sa Majesté, chapitre 12, et intitulé "Acte à l'effet de modifier et refondre les actes concernant les douanes," il a plu à Son Excellence, suivant l'avis du Conseil privé de la Reine pour le Canada, d'ordonner et il est par le présent ordonné que l'on pourra, sujet cependant aux restrictions et règles générales concernant le paiement des drawbacks sur les marchandises manufacturées en Canada et exportées en pays étrangers, payer au fabricant canadien de clous pour les fers à chevaux sur les clous qu'il fabriquera et exportera un drawback équivalant à 90 pour cent des droits payés sur un poids égal de fer importé avec lequel sont manufacturés les dits clous pour fers à chevaux; ou dans le cas où le fabricant ne pourra pas montrer le montant exact de droits ainsi payés, alors le drawback sera au taux de 35 centins par 100 livres des dits clous, pourvu dans ce dernier cas, qu'ils aient été fabriqués exclusivement avec le fer en baguettes importé.

Et il est de plus ordonné que l'on pourra payer également au fabricant canadien de fers à chevaux fabriqués en Canada et exportés en pays étranger, un drawback, équivalant à 90 pour cent des droits payés sur un poids égal de fer importé dont on a fabriqué les dits fers à chevaux, ou dans le cas où le fabricant ne pourra pas montrer le montant exact des droits payés, le drawback sera alors de 10 centins par chaque cent (100) livres des dits fers à chevaux.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé

ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

EDOUARD J. LANGEVIN,

ORDRES EN CONSEIL.

RÈGLEMENTS pour permettre la mise en bouteilles des spiritueux en douane, conformément à la 46 Victoria, chapitre 15, clause 147.

1. Le département du revenu de l'intérieur pourra autoriser toute personne qui a obtenu une licence comme distillateur, à mettre en bouteilles les spiritueux, produits par sa propre distillerie, sujet aux règlements suivants :

2. Une partie de l'établissement de distillerie, approuvée par le département, doit être divisée en compartiments par des cloisons solides et fermées par les employés de la Couronne—telle partie de l'établissement ne devant servir qu'à cet usage seul.

3. Le distillateur n'aura accès dans le dit compartiment qu'en présence d'un officier du revenu de l'intérieur.

4. Le distillateur devra donner six heures d'avis de son intention de transporter des spiritueux du magasin d'entrepôt ou de la distillerie à la chambre où se fait la mise en bouteilles dont il a été parlé plus haut. Cet avis doit être entré dans un livre fourni à ce effet par le département.

5. L'avis devra définir (a) le nombre de barils que l'on se propose de déménager ; (b) leurs marques et chiffres, leur poids net et en bloc ainsi que la tare, la quantité de gallons d'après l'étalon, la force à l'épreuve et le nombre de gallons contenus dans chaque baril séparément, suivant les marques posées conformément aux règlements du revenu de l'intérieur.

6. Les bouteilles dont on se servira, après avoir été lavées et séchées, seront pesées en présence de l'officier, qui devra en enregistrer le nombre et la pesanté totale dans un livre fourni à cet effet par le département.

7. L'officier devra ensuite peser un égal nombre de bouchons, affiches, ou tout autre objet se rattachant aux dites bouteilles, et en marquer la pesanté totale dans tel livre.

8. Le percepteur devra veiller avec soin à ce que dans chaque cas les conditions imposées par les clauses 28 et 29 des règlements concernant les magasins d'entrepôt, approuvés le 27 avril 1868 ou tout amendement s'y rapportant fait à une époque subséquente, soient fidèlement observées.

9. Les spiritueux ainsi entrés dans la chambre où se fait la mise en bouteilles, seront inscrits dans le livre No 2 des stocks des manufacturiers, et considérés comme sortis de la distillerie proprement dite, et la quantité ainsi transportée sera inscrite dans la colonne Dr. du "Daily Record of Bottling."

10. La même quantité, lorsqu'elle sera mise en bouteilles sera inscrite dans la colonne Cr. du livre des stocks No. 2, cité plus haut et notée en conséquence lorsqu'elle sera enlevée ou lorsqu'on en disposera d'une autre manière.

11. Les deux livres dont il est fait mention plus haut devront être balancés tous les mois.

12. Le distillateur devra fournir un réservoir ou des réservoirs ayant la capacité qu'il jugera nécessaire, et tous les spiritueux, avant d'être mis en bouteille, seront jetés dans ce réservoir à même lequel on remplira les bouteilles.

13. On ne pourra pas mettre dans ce ou ces réservoirs une quantité moindre que celle contenue dans le baril ou les barils sortis de l'entrepôt.

14. A la fin de chaque mois on devra faire l'inventaire dans la chambre où se fait la mise en bouteilles, des spiritueux renfermés dans les barils non entamés, et de ceux non mis en bouteilles restant dans le réservoir ou les réservoirs ; et l'évaluateur des douanes devra exiger l'entrée et percevoir les droits pour tout déficit qui pourra s'être produit pendant le mois.

15. Le distillateur devra, le premier jour de chaque mois, faire un rapport supplémentaire, suivant une formule que lui prescrira le département, et donnant les détails des transactions faites pendant le mois précédant la date de ce rapport nécessaire pour l'intelligence du dit rapport.

16. Les boîtes ou paniers dans lesquels les spiritueux mis en bouteilles seront placés ne doivent pas renfermer moins de douze bouteilles chaque.

17. On devra appliquer aux spiritueux ainsi mis en bouteilles, lorsqu'ils sont sortis de l'entrepôt ou transportés ailleurs, les clauses 143, 150 et 152 de l'acte 46 Victoria, chapitre 15, qui se rapportent à tel déménagement, et ces spiritueux en bouteilles seront sujets à tous les règlements et restrictions qui se rapportent aux autres spiritueux.

18. Chaque bouteille ainsi remplie portera une étiquette que placera le distillateur sur le bouchon qui descendra de chaque côté du goulot de la bouteille de manière à cacher complètement le bouchon et à empêcher que la contenu ne soit enlevé de la bouteille sans briser le cachet.

19. Les étiquettes seront fournies par le département et seront faites, d'après un dessin et avec les matériaux désignés par le département ; elles seront fournies au distillateur sur la demande qu'il en fera au percepteur du Revenu de l'Intérieur, et la quantité qui sera requise de temps à autre pour usage

immédiat. Le prix des étiquettes sera de une piastre (\$1.00) le cent.

20. Chaque boîte devra être marquée par le distillateur et indiquer le nombre de bouteilles, la quantité de gallons, la force et la preuve des gallons contenus, et aussi le numéro enregistré de la distillerie, le mois et l'année de la mise en bouteilles, et le numéro de la division du revenu de l'intérieur.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada—suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un

exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subject of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether

they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada—suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un

exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 500 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de profession ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, ne pourront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

EDOUARD J. LANGEVIN,

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether

they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

ORDRES EN CONSEIL

RÈGLEMENTS pour permettre la mise en bouteilles des spiritueux en douane, conformément à la 46 Victoria, chapitre 15, clause 147.

1. Le département du revenu de l'intérieur pourra autoriser toute personne qui a obtenu une licence comme distillateur, à mettre en bouteilles les spiritueux, produits par sa propre distillerie, sujet aux règlements suivants :

2. Une partie de l'établissement de distillerie, approuvée par le département, doit être divisée en compartiments par des cloisons solides et fermées par les employés de la Couronne—telle partie de l'établissement ne devant servir qu'à cet usage seul.

3. Le distillateur n'aura accès dans le dit compartiment qu'en présence d'un officier du revenu de l'intérieur.

4. Le distillateur devra donner six heures d'avis de son intention de transporter des spiritueux du magasin d'entrepôt ou de la distillerie à la chambre où se fait la mise en bouteilles dont il a été parlé plus haut. Cet avis doit être entré dans un livre fourni à cet effet par le département.

5. L'avis devra définir (a) le nombre de barils que l'on se propose de déménager ; (b) leurs marques et chiffres, leur poids net et en bloc ainsi que la tare, la quantité de gallons d'après l'étalon, la force à l'épreuve et le nombre de gallons contenus dans chaque baril séparément, suivant les marques posées conformément aux règlements du revenu de l'intérieur.

6. Les bouteilles dont on se servira, après avoir été lavées et séchées, seront pesées en présence de l'officier, qui devra en enregistrer le nombre et la pesanture totale dans un livre fourni à cet effet par le département.

7. L'officier devra ensuite peser un égale nombre de bouchons, affiches, ou tout autre objet se rattachant aux dites bouteilles, et en marquer la pesanture totale dans tel livre.

8. Le percepteur devra veiller avec soin à ce que dans chaque cas les conditions imposées par les clauses 28 et 29 des règlements concernant les magasins d'entrepôt, approuvés le 27 avril 1868 ou tout amendement s'y rapportant fait à une époque subséquente, soient fidèlement observées.

9. Les spiritueux ainsi entrés dans la chambre où se fait la mise en bouteilles, seront inscrits dans le livre No 2 des stocks des manufacturiers, et considérés comme sortis de la distillerie proprement dite,

et la quantité ainsi transportée sera inscrite dans la colonne Dr. du "Daily Record of Bottling."

10. La même quantité, lorsqu'elle sera mise en bouteilles sera inscrite dans le "Daily Record of Bottling" et transférée à la colonne Cr. du livre des stocks No. 2, citée plus haut et notée en conséquence lorsqu'elle sera enlevée ou lorsqu'on en disposera d'une autre manière.

11. Les deux livres, dont il est fait mention plus haut devront être balancés tous les mois.

12. Le distillateur devra fournir un réservoir ou des réservoirs ayant la capacité qu'il jugera nécessaire, et tous les spiritueux, avant d'être mis en bouteille, seront jetés dans ce réservoir à même lequel on remplira les bouteilles.

13. On ne pourra pas mettre dans ce ou ces réservoirs une quantité moindre que celle contenue dans le baril ou les barils sortis de l'entrepôt.

14. A la fin de chaque mois on devra faire l'inventaire dans la chambre où se fait la mise en bouteilles, des spiritueux renfermés dans les barils non entamés, et de ceux non mis en bouteilles restant dans le réservoir ou les réservoirs ; et l'évaluateur des douanes devra exiger l'entrée et percevoir les droits pour tout déficit qui pourra s'être produit durant le mois.

15. Le distillateur devra, le premier jour de chaque mois, faire un rapport supplémentaire, suivant une formule que lui prescrira le département, et donnant les détails des transactions faites pendant le mois précédant la date de ce rapport nécessaire pour l'intelligence du dit rapport.

16. Les boîtes ou paniers dans lesquels les spiritueux mis en bouteilles seront placés ne doivent pas renfermer moins de douze bouteilles chaque.

17. On devra appliquer aux spiritueux ainsi mis en bouteilles, lorsqu'ils sont sortis de l'entrepôt ou transportés ailleurs, les clauses 143, 150 et 152 de l'acte 46 Victoria, chapitre 15, qui se rapportent à tel déménagement, et ces spiritueux en bouteilles seront sujets à tous les règlements et restrictions qui se rapportent aux autres spiritueux.

18. Chaque bouteille ainsi remplie portera une étiquette que placera le distillateur sur le bouchon qui descendra de chaque côté du goulot de la bouteille de manière à cacher complètement le bouchon et à empêcher que le contenu ne soit enlevé de la bouteille sans briser le cachet.

19. Les étiquettes seront fournies par le département et seront faites d'après un dessin et avec les matériaux désignés par le département ; elles seront fournies au distillateur sur la demande qu'il en fera au percepteur du Revenu de l'Intérieur, et la quantité qui sera requise de temps à autre pour usage immédiat. Le prix des étiquettes sera de une piastre (\$1.00) le cent.

20. Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada—suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

REGULATIONS for allowing the bottling of Spirits in bond, in accordance with 46 Victoria, Cap. 15, sec. 147.

1. The Department of Inland Revenue may authorize any person who has obtained a license as a Distiller to bottle spirits, the product of his own distillery, subject to the following Regulations:—

2. A portion of the Distillery premises approved by the Department must be partitioned off by a substantial close partition and secured by Crown lock, such portion of the premises to be used solely for that purpose.

3. The distiller is to have access to the said apartment only in the presence of the officer of Inland Revenue.

4. Six hours notice is to be given of each intended removal of spirits from the Bonded Warehouse or Distillery to the bottling apartments as aforesaid, by entering the same in a Notice Book to be furnished by the Department.

5. Such notice shall set forth—

(a.) The number of packages to be removed.

(b.) The marks and numbers, gross and net weights and tare, standard gallons, strength and proof gallons of each such package separately—as marked thereupon in accordance with Inland Revenue Regulations.

6. The bottles to be used are, after having been cleaned and dried, to be weighed in the presence of the officer who is to record the number and aggregate weight of such bottles in a book provided for that purpose by the Department.

7. He is then to weigh an equal number of corks, labels and all such other articles as may be used in connection with the said bottles, and to enter the aggregate weight thereof in such book—or such other book as the Department may provide for the purpose.

8. The Collector will be careful to see that in every case the conditions of sections 28 and 29 of the Warehousing Regulations approved on the 27th of April, 1868, or any amendment thereto, or any amendment hereafter to be made, are faithfully complied with.

9. Spirits when entered for removal to bottling room shall be so recorded in Manufacturers Stock Book No. 2 and treated as a removal from the distillery proper, and the quantity so removed shall be carried to the Dr. of "Daily Record of Bottling."

10. The quantity thereof when bottled shall be entered to the Cr. of the aforesaid Daily Record and carried to Dr. of Distillers Supplementary Stock Book No. 2 and credited therein when removed or otherwise disposed of.

11. Both books above referred to are to be balanced monthly.

12. A tank or tanks of such capacity as the distiller may deem necessary shall be provided by him into which all spirits before being bottled shall be placed and from which the bottles shall be filled.

13. No less quantity than the contents of the original package or packages must be placed in the said tank or tanks.

14. At the close of each month, stock shall be taken of all unbottled spirits in the bottling room which shall consist only of original unbroken packages and balance in tank or tanks and an ex-warehouse entry must be passed for and duty collected for any deficiency that may be found to have occurred during the month.

15. The distiller will, on the first day of each month make a supplementary return, on a form to be prescribed by the Department, giving such particulars of transactions which have occurred during the month next preceding the date of such return, as may be required by or in the said return.

16. Cases or other packages in which bottled spirits are removed shall contain not less than 12 bottles each.

17. All spirits so bottled when ex-warehoused or removed shall be governed by Sections 143, 150 and 152 of Act 46 Vict., Chap. 15, as to such ex-warehousing or removal, and generally shall be subject to all regulations and restrictions in respect of other spirits.

18. Each bottle so filled shall have attached thereto a label which shall be put on by the distiller and shall be placed over the cork and extend down each side of the bottle in such a manner as to completely seal the package and prevent the removal of contents without breaking the label.

19. The label to be furnished by the Department and to be of such design and material as the Department may decide upon, and to be supplied to the distiller upon a proper requisition being made therefor to the Collector of Inland Revenue. The said labels to be supplied to the distiller in such quantities as may be required from time to time for immediate use and to be supplied at the rate of one dollar (\$1.00) per hundred.

20. Each case shall be marked by the distiller shewing the number of bottles, standard gallons, strength and proof gallons contained therein, and also the registered number of distillery, month and year when bottled and the number of the Inland Revenue Division.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether

they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

EDOUARD J. LANGEVIN,
Clerk of the Senate.

JOHN GEORGE BOURINOT,
Clerk of the Commons.

And further, with respect to the House of Commons, it is ordered under Resolution of 20th April, 1883, that—

"All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the *clauses* of the *General Acts* relating to the details to be provided for by such Bills;—special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof, in which the *General Act* is proposed to be departed from;—Bills which are not framed in accordance with this *Rule*, shall be re-cast by the promoters, and reprinted at their expense, before any Committee passes upon the *Clauses*.

15-3 JOHN J. McGEE,
Greffier du Conseil Privé.

RÈGLEMENTS pour permettre la mise en bouteilles des spiritueux en douane, conformément à la 46 Victoria, chapitre 15, clause 147.

1. Le département du revenu de l'intérieur pourra autoriser toute personne qui a obtenu une licence comme distillateur, à mettre en bouteilles les spiritueux, produits par sa propre distillerie, sujet aux règlements suivants :

2. Une partie de l'établissement de distillerie, approuvée par le département, doit être divisée en compartiments par des cloisons solides et fermées par les employés de la Couronne—telle partie de l'établissement ne devant servir qu'à cet usage seul.

3. Le distillateur n'aura accès dans le dit compartiment qu'en présence d'un officier du revenu de l'intérieur.

4. Le distillateur devra donner six heures d'avis de son intention de transporter des spiritueux du magasin d'entrepôt ou de la distillerie à la chambre où se fait la mise en bouteilles dont il a été parlé plus haut. Cet avis doit être entré dans un livre fourni à cet effet par le département.

5. L'avis devra définir (a) le nombre de barils que l'on se propose de déménager; (b) leurs marques et chiffres, leur poids net et en bloc ainsi que la tare, la quantité de gallons d'après l'étalon, la force à l'épreuve et le nombre de gallons contenus dans chaque baril séparément, suivant les marques posées conformément aux règlements du revenu de l'intérieur.

6. Les bouteilles dont on se servira, après avoir été lavées et séchées, seront pesées en présence de l'offi-

cier, qui devra en enregistrer le nombre et la pesanture totale dans un livre fourni à cet effet par le département.

7. L'officier devra ensuite peser un égale nombre de bouchons, affiches, ou tout autre objet se rattachant aux dites bouteilles, et en marquer la pesanture totale dans tel livre.

8. Le percepteur devra veiller avec soin à ce que dans chaque cas les conditions imposées par les clauses 23 et 29 des règlements concernant les magasins d'entrepôt, approuvés le 27 avril 1868 ou tout amendement s'y rapportant fait à une époque subséquente, soient fidèlement observées.

9. Les spiritueux ainsi entrés dans la chambre où se fait la mise en bouteilles, seront inscrits dans le livre No 2 des stocks des manufacturiers, et considérés comme sortis de la distillerie proprement dite, et la quantité ainsi transportée sera inscrite dans la colonne Dr. du "Daily Record of Bottling."

10. La même quantité, lorsqu'elle sera mise en bouteilles sera inscrite dans le "Daily Record of Bottling" et transférée à la colonne Cr. du livre des stocks No. 2, citée plus haut et notée en conséquence lorsqu'elle sera enlevée ou lorsqu'on en disposera d'une autre manière.

11. Les deux livres, dont il est fait mention plus haut devront être balancés tous les mois.

12. Le distillateur devra fournir un réservoir ou des réservoirs ayant la capacité qu'il jugera nécessaire, et tous les spiritueux, avant d'être mis en bouteille, seront jetés dans ce réservoir à même lequel on remplira les bouteilles.

13. On ne pourra pas mettre dans ce ou ces réservoirs une quantité moindre que celle contenue dans le baril ou les barils sortis de l'entrepôt.

14. A la fin de chaque mois on devra faire l'inventaire dans la chambre où se fait la mise en bouteilles, des spiritueux renfermés dans les barils non entamés, et de ceux non mis en bouteilles restant dans le réservoir ou les réservoirs; et l'évaluateur des douanes devra exiger l'entrée et percevoir les droits pour tout déficit qui pourra s'être produit durant le mois.

15. Le distillateur devra, le premier jour de chaque mois, faire un rapport supplémentaire, suivant une formule que lui prescrira le département, et donnant les détails des transactions faites pendant le mois précédant la date de ce rapport nécessaire pour l'intelligence du dit rapport.

16. Les boîtes ou paniers dans lesquels les spiritueux mis en bouteilles seront placés ne doivent pas renfermer moins de douze bouteilles chaque.

17. On devra appliquer aux spiritueux ainsi mis en bouteilles, lorsqu'ils sont sortis de l'entrepôt ou transportés ailleurs, les clauses 143, 150 et 152 de l'acte 46 Victoria, chapitre 15, qui se rapportent à tel déménagement, et ces spiritueux en bouteilles seront sujets à tous les règlements et restrictions qui se rapportent aux autres spiritueux.

18. Chaque bouteille ainsi remplie portera une étiquette que placera le distillateur sur le bouchon qui descendra de chaque côté du goulot de la bouteille de manière à cacher complètement le bouchon et à empêcher que le contenu ne soit enlevé de la bouteille sans briser le cachet.

19. Les étiquettes seront fournies par le département et seront faites d'après un dessin et avec les matériaux désignés par le département; elles seront fournies au distillateur sur la demande qu'il en fera au percepteur du Revenu de l'Intérieur, et la quantité qui sera requise de temps à autre pour usage immédiat. Le prix des étiquettes sera de une piastre (\$1.00) le cent.

20. Chaque boîte devra être marquée par le distillateur et indiquer le nombre de bouteilles, la quantité de gallons, la force et la preuve des gallons contenus, et aussi le numéro enregistré de la distillerie, le mois et l'année de la mise en bouteilles, et le numéro de la division du revenu de l'intérieur.

CONSEIL PRIVÉ,
Ottawa, 25 août 1883.

Je certifie que les règlements précités pour permettre la mise en bouteille des spiritueux en entre-

pôt, conformément à l'acte 46 Victoria, chap. 15, clause 147, ont été approuvés par Son Excellence le gouverneur-général en conseil ce 25^e jour d'août 1883.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subject of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether

they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

EDOUARD J. LANGEVIN,
Clerk of the Senate.
JOHN GEORGE BOURINOT,
Clerk of the Commons.

And further, with respect to the House of Commons, it is ordered under Resolution of 20th April, 1883, that—

"All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the *clauses* of the *General Acts* relating to the details to be provided for by such Bills;—special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof, in which the *General Act* is proposed to be departed from;—Bills which are not framed in accordance with this *Rule*, shall be re-cast by the promoters, and reprinted at their expense, before any Committee passes upon the *Clauses*."

73. A copy of the notice, in writing, is to be served at the instance of the applicant, upon the person from whom the Divorce is sought, if the residence of such person can be ascertained; and proof on oath of such service, or of the attempts made to effect it, to the satisfaction of the Senate, is to be adduced before the Senate on the reading of the Petition.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur, — un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé — le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de bateaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions,

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, provenant du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps

qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“ Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on

aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (s'il est dans les provinces de Québec et de Manitoba, ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous-serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, provenant du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions

ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le

reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba,) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

51. All applications for Private Bills, properly the subject of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing cor-

porations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba,) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

(Circular.)

DOWNING STREET,
11th August, 1883.

SIR,

I have the honour to transmit to you, for publica-
tion in the Colony under your Government, copies of
an Agreement between the Governments of Great
Britain and Denmark for the Mutual Relief of Dis-
tressed Seamen, signed at London on the 25th of
July, 1883.

I have the honour to be, Sir,
Your most obedient humble servant,
DERBY.

The Officer Administering
the Government of Canada.

AGREEMENT between the Governments of Great Britain
and Denmark for the Mutual Relief of Distressed
Seamen.

Signed at London, July 25, 1883.

The Government of Her Majesty the Queen of the
United Kingdom of Great Britain and Ireland, and

the Government of His Majesty the King of Denmark,
being desirous to make arrangements for the relief
of distressed seamen of the two nations in certain
cases, the undersigned, duly authorized to that effect,
have agreed as follows :—

If a seaman of one of the Contracting State, after
serving on board a ship of the other Contracting
State, remains behind in a third State or in its colo-
nies, or in the colonies of that State whose flag the
ship carries, and the said seaman is in a helpless
condition in consequence of shipwreck, or from other
causes, then the Government of that State whose flag
the ship bears shall be bound to support the said
seaman until he enters into ship-service again, or
finds other employment, or until he arrives in his
native State or its colonies, or dies.

But this is on condition that the seaman so situated
shall avail himself of the first opportunity that offers
to prove his necessitous condition, and the causes
thereof, to the proper officials of the State whose
support is to be solicited, and that the destitution is
shown to be the natural consequence of the termina-
tion of his service on board the ship: otherwise the
aforesaid liability to afford relief lapses.

The said liability is also excluded if the seaman has
deserted, or has been turned out of the ship for any
criminal act, or has left it on account of disability
for service in consequence of illness or wounding
resulting from his own fault.

The relief includes maintenance, clothing, medical
attendance, medicine, and travelling expenses; in
case of death the funeral expenses are also to be
paid.

The present Agreement shall come into operation
on the 1st of November, 1883, and shall continue in
force until one of the Contracting Parties shall an-
nounce to the other, one year in advance, its inten-
tion to terminate it.

In witness whereof the undersigned, duly autho-
rized for that purpose, have signed the present
Agreement, and have affixed thereto the seal of their
arms.

Done at London in duplicate the twenty-fifth day
of July, in the year of our Lord one thousand eight
hundred and eighty-three.

DOWNING STREET,
1st September, 1883.

SIR,

I have the honour to transmit to you, for informa-
tion and publication in the Colony under your Govern-
ment, a copy of the Imperial Act, 46 and 47 Vict.,
chap. 30, entitled "An Act to authorise Companies
registered under the Companies Act, 1862, to keep
"Local Registers of their members in British
"Colonies."

I have the honour to be, Sir,
Your most obedient humble servant,
DERBY.

The Officer Administering
the Government of Canada.

CHAPTER 30.

An Act to authorise Companies registered under the
Companies Act, 1862, to keep Local Registers of
their Members in British Colonies.

[20th August, 1883.]

WHEREAS many companies registered under the
Companies Act, 1862, carry on business in
British colonies, and dealings in their shares are
frequent in such colonies, but delay, inconvenience,
and expense are occasioned by reason of the absence
of any legal provision for keeping local registers of
members, and it is expedient that such provisions as
this Act contains be made in that behalf:

Be it therefore enacted by the Queen's Most Excel-
lent Majesty, by and with the advice of the Lords

Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1. This Act may be cited for all purposes as the Companies (Colonial Registers) Act, 1883; and this Act shall, so far as is consistent with the tenor thereof, be construed as one with the Companies Act, 1862 to 1880, and the said Acts and this Act may be referred to as the Companies Acts, 1862 to 1883.

2. In this Act the term "company" means a company registered under the Companies Act, 1862, and having a capital divided into shares; the term "shares" includes stock; the term "colony" does not include any place within the United Kingdom, the Isle of Man, or the Channel Islands, but includes such territories as may for the time being be vested in Her Majesty by virtue of an Act of Parliament for the Government of India, and any plantation, territory, or settlement situate elsewhere within Her Majesty's dominions.

3. (1.) Any company whose objects comprise the transaction of business in a colony may, if authorized so to do by its regulations, as originally framed or as altered by special resolution, cause to be kept in any colony in which it transacts business a branch register or registers of members resident in such colony.

(2.) The company shall give to the registrar of joint stock companies notice of the situation of the office where any such branch register (in this Act called a colonial register) is kept, and of any change therein, and of the discontinuance of any such office in the event of the same being discontinued.

(3.) A colonial register shall, as regards the particulars entered therein, be deemed to be a part of the company's register of members, and shall be *primâ facie* evidence of all particulars entered therein. Any such register shall be kept in the manner provided by the Companies Acts, 1862 to 1880, with this qualification, that the advertisement mentioned in section thirty-three of the Companies Act, 1862, shall be inserted in some newspaper circulating in the district wherein the register to be closed is kept, and that any competent court in the colony where such register is kept shall be entitled to exercise the same jurisdiction of rectifying the same as is by section thirty-five of the Companies Act, 1862, vested, as respects a register, in England and Ireland in Her Majesty's superior courts of law or equity, and that all offences under section thirty-two of the Companies Act, 1862, may, as regards a colonial register, be prosecuted summarily before any tribunal in the colony where such register is kept having summary criminal jurisdiction.

(4.) The company shall transmit to its registered office a copy of every entry in its colonial register or registers as soon as may be after such entry is made, and the company shall cause to be kept at its registered office, duly entered up from time to time, a duplicate or duplicates of its colonial register or registers. The provisions of section thirty-two of the Companies Act, 1862, shall apply to every such duplicate, and every such duplicate shall, for all the purposes of the Companies Acts, 1862 to 1880, be deemed to be part of the register of members of the company.

(5.) Subject to the provisions of this Act with respect to the duplicate register, the shares registered in a colonial register shall be distinguished from the shares registered in the principal register, and no transaction with respect to any shares registered in a colonial register shall, during the continuance of the registration of such shares in such colonial register, be registered in any other register.

(6.) The company may discontinue to keep any colonial register, and thereupon all entries in that register shall be transferred to some other colonial register kept by the company in the same colony, or to the register of members kept at the registered office of the company.

(7.) In relation to stamp duties the following provisions shall have effect:—

(a.) An instrument of transfer of a share registered in a colonial register under this Act shall be deemed to be a transfer of property situated out of the United Kingdom, and unless executed

in any part of the United Kingdom shall be exempt from British stamp duty.

(b) Upon the death of a member registered in a colonial register under this Act, the share or other interest of the deceased member shall for the purposes of this Act so far as relates to British duties be deemed to be part of his estate and effects situated in the United Kingdom for or in respect of which probate or letters of administration is or are to be granted, or whereof an inventory is to be exhibited and recorded in like manner as if he were registered in the register of members kept at the registered office of the company.

(8.) Subject to the provisions of this Act, any company may, by its regulations as originally framed, or as altered by special resolution, make such provisions as it may think fit respecting the keeping of colonial registers.

The testimonials of servitude of foreigners and British seamen serving in foreign vessels, must be confirmed either by the Consul of the country to which the ship in which the candidate served belonged, or by some other official authority of that country, or by testimony of some credible person on the spot, having personal knowledge of the facts required to be established. Upon application to one of the examiners, candidates will be supplied with a form, which they will be required to fill up and lodge with their testimonials in the hand of the examiner.

26. Candidates are required to appear at the examination room punctually at the time appointed.

27. Candidates are prohibited from bringing into the examination room books or paper of any kind whatever. The slightest infringement of this regulation will subject the offender to all the penalties of a failure.

28. In the event of any candidate being detected in defacing, blotting, writing in or otherwise injuring any book or books belonging to the Board, the papers of such candidates will be detained until the book or books so defaced be replaced by him. He will not, however, be at liberty to remove the damaged book, which will still remain the property of the Board.

29. In the event of any candidate being discovered copying from another, or affording any assistance or giving any information to another, or communicating in any way with another during the time of examination, he will subject himself to a failure and its consequences.

30. No candidate will be allowed to work out his problems on a slate or on waste paper.

31. No candidate will be permitted to leave the room until he has given up the paper on which he is engaged.

32. Candidates will be allowed to work out the various problems by the method and tables they have been accustomed to use, and will be allowed six hours to perform the work. At the expiration of six hours they will, if they have not finished, be declared to have failed, unless the Board of Examiners see fit to lengthen the period in any special case. If, however, the period is lengthened in any case, the special circumstances of that case and the reasons for lengthening the period must be reported to the Minister of Marine and Fisheries by the Examiners at the time they send in the report.

33. Candidates are expected to bring their answers to all problems within, or not to exceed, a margin of one mile of position from a correct result.

34. From Masters a degree of precision will be required both in the work and in the results, beyond what is demanded from Mates.

35. In every case where problems are required to be worked out, the examination from master is to commence with the problems for mate.

26. In all cases of failure the candidate must be re-examined *de novo*. If a candidate fails, he will not be re-examined until after a lapse of six months' service afloat on the inland waters or sea coast, as the case may be, to give him time to gain experience.

37. Examinations may be held at the following ports, viz:—Toronto, Ottawa, Montreal, Quebec, St. John, N.-B., Yarmouth, Halifax, Sydney, Charlottetown, Winnipeg and Victoria, for the purpose of examining candidates.

NOTE.

As the examination of Masters and Mates is made compulsory, the qualifications have been kept as low as possible, but it is distinctly to be understood that the Minister of Marine and Fisheries may raise the standard from time to time if deemed advisable.

51. All applications for Private Bills, properly the subject of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing cor-

porations) signed by, or on behalf of the applicants to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

DOWNING STREET,
11 août 1883.

MONSIEUR,

J'ai l'honneur de vous transmettre pour publication dans la colonie dont vous avez le gouvernement, des copies d'une convention passée entre le gouvernement de la Grande-Bretagne et celui du Danemark, pour l'assistance mutuelle des marins en détresse, signée à Londres le 25 juillet 1883.

J'ai l'honneur d'être, monsieur,
Votre très humble serviteur,

DERBY.

L'administrateur
du gouvernement du Canada.

CONVENTION entre le gouvernement de la Grande-Bretagne et celui du Danemark pour l'assistance mutuelle des marins en détresse.

Signée à Londres, le 25 juillet 1883.

Le gouvernement de Sa Majesté la reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et le gouvernement de Sa Majesté le roi de Danemark, désirant faire des arrangements pour l'assistance à porter en certains cas aux marins en détresse des deux nations, les soussignés dûment autorisés à cet effet, ont fait les conventions suivantes :—

Si un marin de l'un des deux Etats contractants, après avoir servi à bord d'un navire de l'un des dits Etats, est abandonné dans un troisième Etat ou dans ses colonies, ou dans les colonies de l'Etat sous le pavillon duquel le navire voyage, et si le dit marin se trouve sans ressources en conséquence d'un naufrage ou pour autres causes, alors le gouvernement de l'Etat sous le pavillon duquel voyage le navire, sera obligé de secourir le dit marin jusqu'à ce qu'il trouve du service sur un autre navire ou trouve un autre emploi, ou jusqu'à ce qu'il arrive dans son pays natal ou dans une de ses colonies, ou qu'il meure.

Mais ceci est à la condition que le marin, placé dans cette situation, saisisse la première occasion qui s'offre à lui de prouver la nécessité dans laquelle il se trouve, ainsi que les causes, aux officiers autorisés de l'Etat dont l'aide est demandée, et qu'il soit prouvé que la misère dans laquelle il se trouve est la conséquence naturelle de la cessation de son service à bord du navire; autrement l'obligation susdite d'assistance cesse.

La dite obligation n'existe pas non plus si le marin a déserté, ou a été chassé de son navire pour un acte criminel, ou a abandonné le service pour cause de maladie ou de blessures résultant de sa propre faute.

L'assistance comprend l'entretien, l'habillement, les soins du médecin, les remèdes et les dépenses de voyage; en cas de mort les dépenses des funérailles doivent aussi être payés.

La convention présente sera mise à effet le 1er novembre 1883, et continuera à être en vigueur jusqu'à ce que l'une des parties contractantes fera connaître à l'autre, une année d'avance, son intention de la résilier.

Les soussignés dûment autorisés à cet effet, testifieront la convention, l'ont signée et y ont apposé leurs sceaux.

Fait en double à Londres, le vingt-cinquième jour de juillet, en l'année de Notre Seigneur, mil huit cent quatre-vingt-trois.

DOWNING STREET,

MONSIEUR,

J'ai l'honneur de vous transmettre, pour information et publication dans la colonie soumise à votre gouvernement, une copie de l'acte impérial 46 et 47 Victoria, chap 30, intitulé "Acte pour autoriser les compagnies constituées d'après l'acte des compa-

gnies, 1862, à tenir des registres locaux de leurs membres dans les colonies anglaises."

J'ai l'honneur d'être,
Monsieur,
Votre très obéissant serviteur.
DERBY.

L'administrateur du
Gouvernement du Canada.

CHAPITRE 30.

Acte pour autoriser les compagnies constituées d'après l'Acte des compagnies, 1862, à tenir des registres locaux de leurs membres dans les colonies anglaises.

[20 août 1883.]

ATTENDU que plusieurs compagnies constituées d'après l'Acte des compagnies, 1862, font des affaires dans les colonies anglaises, et que les transactions concernant leurs parts sont fréquentes dans telles colonies, mais que des délais, des embarras, et des dépenses sont occasionnées en raison de l'absence d'une loi autorisant à tenir des registres locaux de leurs membres, et qu'il est expédient que telles règles autorisées par cet acte soient adoptées à cet égard.

Il est en conséquence arrêté par Sa Très Excellente Majesté la Reine par et de l'avis et du consentement des Lords Spirituels et Temporels et des Communes présentement assemblés dans ce parlement, et par son autorité, comme suit :

1. Cet acte peut être cité pour toutes fins comme "l'Acte des registres coloniaux pour les compagnies, 1883" ; et cet acte sera admis, en autant que sa teneur le permettra, comme faisant partie des Actes des compagnies, 1862 à 1880, et les dits actes et cet acte-ci pourront être désignés comme "Actes des compagnies, 1862 à 1883."

2. Dans cet acte le mot "compagnie" signifie une compagnie constituée sous l'acte des compagnies, 1862, et ayant un capital divisé en parts ; le mot "parts" comprend le stock ; le mot "colonie" n'inclut pas tous lieux dans les limites du Royaume-Uni, l'île de Man ou les îles de la Manche, mais comprend tels territoires actuellement en la possession de Sa Majesté en vertu d'un acte du parlement pour le gouvernement de l'Inde, et toute plantation, territoire ou établissement situés ailleurs dans les limites des possessions de Sa Majesté.

3. (1) Toute compagnie qui a pour objet la transaction d'affaires dans les colonies peut, si elle y est autorisée par ses règlements, tels qu'adoptés d'abord ou amendés par résolution spéciale, faire tenir dans les colonies où elle fait des affaires une succursale de ses registres ou des registres pour les membres résidant dans telles colonies.

(2) La compagnie fera connaître au registraire des compagnies par actions où est situé le bureau où telle succursale de registre (appelé dans cet acte registre colonial) sera tenue, et de tout changement qui surviendra, ou de la cessation de tel bureau dans le cas où elle aurait lieu.

(3) Un registre colonial sera censé, au sujet de ce qu'il contiendra, être une partie du registre des membres de la compagnie et constituera par lui-même une preuve *prima facie* de tout ce qui y sera inséré. Tel registre devra être tenu en la manière indiquée par les Actes des compagnies, 1862 à 1880, avec cette qualification, que l'annonce mentionnée dans la clause trente-trois de l'Acte des compagnies 1862, sera insérée dans quelque gazette ayant une circulation dans le district dans les limites duquel le registre devant être fermé est tenu, et que toute cour compétente dans la colonie où tel registre est tenu aura droit pour rectifier le registre d'exercer la même juridiction qui est accordée aux cours de justice et d'équité de Sa Majesté, en Angleterre et en Irlande, au sujet des registres, par la clause trente-cinq de l'Acte des compagnies 1862, et que toutes offenses tombant sous le coup de la clause trente-deux de l'Acte des compagnies, 1862, peuvent, à l'égard d'un registre colonial, être poursuivies sommairement devant tout tribunal ayant une juridiction criminelle sommaire dans le district où le registre est tenu,

(4) La compagnie transmettra à son bureau d'enregistrement une copie de chaque entrée dans son ou ses registres coloniaux aussitôt qu'elle le pourra après que telle entrée sera faite, et la compagnie fera tenir à son bureau l'enregistrement dûment entrés de temps à autre un duplicatum ou des duplicata, et chaque tel duplicatum sera censé faire partie du registre des membres de la compagnie pour toutes les fins des Actes des compagnies, 1862 à 1880.

(3) Conformément aux stipulations de cet acte par rapport au registre en double, les parts enregistrées dans un registre colonial devront être distinguées des parts enregistrées dans le registre principal, et aucune transaction touchant les parts enregistrées dans un registre colonial ne pourra, tant que ces parts continueront à être enregistrées dans tel registre colonial, être enregistrée dans un autre registre.

(6) La compagnie pourra discontinuer de tenir un ou des registres coloniaux, et alors toutes entrées dans tels registres, seront transférées dans un autre registre colonial tenu par la compagnie dans la même colonie, ou dans le registre des membres tenu au bureau d'enregistrement de la compagnie.

(7) Au sujet des droits de timbre, les règles suivantes sont établies :

(a) Un instrument de transfert d'une action enregistrée dans un registre colonial d'après cet acte sera censé être le transfert d'une propriété située en dehors du Royaume-Uni, et à moins qu'il soit exécuté dans une partie du Royaume-Uni, il sera exempt du droit de timbre anglais.

(b) A la mort d'un membre enregistré dans un registre colonial d'après cet acte, la part ou autre intérêt du membre défunt sera, pour les fins de cet acte en ce qui a rapport aux droits anglais, censé être une partie de ses biens et effets situés dans le Royaume-Uni, pour ou à l'égard desquels des certificats ou lettres d'administration doivent être accordés ou lorsqu'un inventaire doit être exhibé et gardé en record, de la même manière que si son nom était enregistré dans le registre des membres tenu au bureau d'enregistrement de la compagnie.

(8) En se conformant aux stipulations de cet acte, toute compagnie pourra, par ses règlements tels qu'adoptés en premier lieu ou amendés par résolution spéciale, faire telles règles qu'elle croira utiles concernant la tenue des registres coloniaux. 21 3

NOUVEAUX RÈGLEMENTS ET TABLEAUX DES HONORAIRES, ETC., POUR LES COURS DE VICE-AMIRAUTÉ EN DEHORS DU ROYAUME-UNI.

DOWNING-STREET,
26 septembre 1883.

MONSIEUR,

En rapport avec ma circulaire du 10 août dernier, j'ai maintenant l'honneur de vous transmettre pour publication dans la colonie que vous gouvernez un arrêté de la Reine en conseil, daté du 23 août dernier, et établissant de nouveaux règlements et tableaux d'honoraires, etc., pour les cours de vice-amirauté en dehors du royaume. Vous observerez que ces nouveaux règlements, etc., seront en force le premier janvier prochain.

Des dispositions ont été prises avec le bureau de papeterie de Sa Majesté pour que les nouveaux règlements soient vendus au public en général, et pour que les formes restent debout pendant douze mois dans le but de permettre aux gouvernements coloniaux ou à toute autre personne qui auraient besoin de nouvelles copies de pouvoir en acheter. Après l'expiration des douze mois il est possible que l'on ne puisse pas se procurer des copies additionnelles.

J'ai l'honneur d'être, monsieur,
Votre très humble serviteur,

DERBY.

A l'administrateur du gouvernement
du Canada, Ottawa.

PALAIS DE LA COUR D'OSBORNE, ILE DE WIGHT.

Le 23^{me} jour d'août 1883.

PRÉSENTE :

Sa Très Excellente Majesté la Reine en Conseil.

ATTENDU qu'il a été ce jour, devant le conseil, une pétition des très honorables Lords Commissaires de la Cour d'Amirauté, datée le 22^{me} jour d'août 1883, dans les termes suivants, à savoir :
 "Attendu que par un acte passé dans la vingt-deuxième année du règne de Votre Majesté, intitulé : "Acte des cours de vice-amirauté, 1883," il a été entre autres choses statué que Sa Majesté pourra, par arrêté du conseil, de temps à autre, établir des règles concernant la pratique à suivre dans les cours de vice-amirauté, de même aussi que des tableaux d'honoraires auxquels ont droit les officiers et praticiens pour tous actes remplis dans ces cours, et pourra rappeler et changer tous règlements ou tableaux d'honoraires actuels ou futurs.

"Et attendu qu'il nous semble expédient qu'au lieu et place des règlements et tableaux d'honoraires actuellement en vigueur dans les cours de vice-amirauté, les règlements et tableaux d'honoraires ci-annexés devraient, à partir du premier jour de janvier 1884, être établis et devenir en force dans toutes les cours de vice-amirauté —

"Il est en conséquence très humblement soumis qu'il plaise à Votre Gracieuse Majesté par votre arrêté en conseil, de décliner que tous les règlements et tableaux d'honoraires actuellement en vigueur dans les cours de vice-amirauté, soit rappelés, et qu'en lieu et place les règlements et tableaux d'honoraires ci-annexés, deviendront à partir du premier jour de janvier 1884 les règlements et tableaux d'honoraires en vigueur dans toutes les cours de vice-amirauté."

Sa Majesté ayant pris la dite pétition en considération, a bien voulu, par et de l'avis de son conseil privé, approuver ce qui est ici proposé, et les très honorables Lords Commissaires de l'Amirauté sont chargés de prendre les mesures nécessaires pour donner effet aux règlements en conséquence.

51. Dans le cas de toute demande de bill privé, provenant du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions

ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

“Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

DESPATCHES, Etc.

(Circular.)

DOWNING STREET,
11th August, 1883.

SIR,

I have the honour to transmit to you, for publication in the Colony under your Government, copies of an Agreement between the Governments of Great Britain and Denmark for the Mutual Relief of Distressed Seamen, signed at London on the 25th of July, 1883.

I have the honour to be, Sir,
Your most obedient humble servant,
DERBY.

The Officer Administering
the Government of Canada.

AGREEMENT between the Governments of Great Britain and Denmark for the Mutual Relief of Distressed Seamen.

Signed at London, July 25, 1883.

The Government of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Government of His Majesty the King of Denmark, being desirous to make arrangements for the relief of distressed seamen of the two nations in certain cases, the undersigned, duly authorized to that effect, have agreed as follows:—

If a seaman of one of the Contracting State, after serving on board a ship of the other Contracting State, remains behind in a third State or in its colonies, or in the colonies of that State whose flag the ship carries, and the said seaman is in a helpless condition in consequence of shipwreck, or from other causes, then the Government of that State whose flag the ship bears shall be bound to support the said seaman until he enters into ship-service again, or finds other employment, or until he arrives in his native State or its colonies, or dies.

But this is on condition that the seaman so situated shall avail himself of the first opportunity that offers to prove his necessitous condition, and the causes thereof, to the proper officials of the State whose support is to be solicited, and that the destitution is shown to be the natural consequence of the termination of his service on board the ship: otherwise the aforesaid liability to afford relief lapses.

The said liability is also excluded if the seaman has deserted, or has been turned out of the ship for any criminal act, or has left it on account of disability for service in consequence of illness or wounding resulting from his own fault.

The relief includes maintenance, clothing, medical attendance, medicine, and travelling expenses; in case of death the funeral expenses are also to be paid.

The present Agreement shall come into operation on the 1st of November, 1883, and shall continue in force until one of the Contracting Parties shall announce to the other, one year in advance, its intention to terminate it.

In witness whereof the undersigned, duly authorized for that purpose, have signed the present Agreement, and have affixed thereto the seal of their arms.

Done at London in duplicate the twenty-fifth day of July, in the year of our Lord one thousand eight hundred and eighty-three.

DOWNING STREET,

SIR,

I have the honour to transmit to you, for information and publication in the Colony under your Government, a copy of the Imperial Act, 46 and 47 Vict., chap. 30, entitled "An Act to authorise Companies

"registered under the Companies Act, 1862, to keep Local Registers of their members in British Colonies."

I have the honour to be, Sir,
Your most obedient humble servant,

The Officer Administering

CHAPTER 30.

An Act to authorise Companies registered under the Companies Act, 1862, to keep Local Registers of their Members in British Colonies.

[20th August, 1883.]

WHEREAS many companies registered under the Companies Act, 1862, carry on business in British colonies, and dealings in their shares are frequent in such colonies, but delay, inconvenience, and expense are occasioned by reason of the absence of any legal provision for keeping local registers of members, and it is expedient that such provisions as this Act contains be made in that behalf:

Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1. This Act may be cited for all purposes as the Companies (Colonial Registers) Act, 1883; and this Act shall, so far as is consistent with the tenor thereof, be construed as one with the Companies Act, 1862 to 1880, and the said Acts and this Act may be referred to as the Companies Acts, 1862 to 1883.

2. In this Act the term "company" means a company registered under the Companies Act, 1862, and having a capital divided into shares; the term "shares" includes stock; the term "colony" does not include any place within the United Kingdom, the Isle of Man, or the Channel Islands, but includes such territories as may for the time being be vested in Her Majesty by virtue of an Act of Parliament for the Government of India, and any plantation, territory, or settlement situate elsewhere within Her Majesty's dominions.

3. (1.) Any company whose objects comprise the transaction of business in a colony may, if authorized so to do by its regulations, as originally framed or as altered by special resolution, cause to be kept in any colony in which it transacts business a branch register or registers of members resident in such colony.

(2.) The company shall give to the registrar of joint stock companies notice of the situation of the office where any such branch register (in this Act called a colonial register) is kept, and of any change therein, and of the discontinuance of any such office in the event of the same being discontinued.

(3.) A colonial register shall, as regards the particulars entered therein, be deemed to be a part of the company's register of members, and shall be *prima facie* evidence of all particulars entered therein. Any such register shall be kept in the manner provided by the Companies Acts, 1862 to 1880, with this qualification, that the advertisement mentioned in section thirty-three of the Companies Act, 1862, shall be inserted in some newspaper circulating in the district wherein the register to be closed is kept, and that any competent court in the colony where such register is kept shall be entitled to exercise the same jurisdiction of rectifying the same as is by section thirty-five of the Companies Act, 1862, vested, as respects a register, in England and Ireland in Her Majesty's superior courts of law or equity, and that all offences under section thirty-two of the Companies Act, 1862, may, as regards a colonial register, be prosecuted summarily before any tribunal in the colony where such register is kept having summary criminal jurisdiction.

(4.) The company shall transmit to its registered office a copy of every entry in its colonial register or registers as soon as may be after such entry is made, and the company shall cause to be kept at its regis-

tered office, duly entered up from time to time, a duplicate or duplicates of its colonial register or registers. The provisions of section thirty-two of the Companies Act, 1862, shall apply to every such duplicate, and every such duplicate shall, for all the purposes of the Companies Acts, 1862 to 1880, be deemed to be part of the register of members of the company.

(5.) Subject to the provisions of this Act with respect to the duplicate register, the shares registered in a colonial register shall be distinguished from the shares registered in the principal register, and no transaction with respect to any shares registered in a colonial register shall, during the continuance of the registration of such shares in such colonial register, be registered in any other register.

(6.) The company may discontinue to keep any colonial register, and thereupon all entries in that register shall be transferred to some other colonial register kept by the company in the same colony, or to the register of members kept at the registered office of the company.

(7.) In relation to stamp duties the following provisions shall have effect:—

(a.) An instrument of transfer of a share registered in a colonial register under this Act shall be deemed to be a transfer of property situated out of the United Kingdom, and unless executed in any part of the United Kingdom shall be exempt from British stamp duty.

(b.) Upon the death of a member registered in a colonial register under this Act, the share or other interest of the deceased member shall for the purposes of this Act so far as relates to British duties be deemed to be part of his estate and effects situated in the United Kingdom for or in respect of which probate or letters of administration is or are to be granted, or whereof an inventory is to be exhibited and recorded in like manner as if he were registered in the register of members kept at the registered office of the company.

(8.) Subject to the provisions of this Act, any company may, by its regulations as originally framed, or as altered by special resolution, make such provisions as it may think fit respecting the keeping of colonial registers.

25. Testimonials of character and of sobriety, experience, ability and good conduct on board ship, will be required of all applicants, and without producing them no person will be examined. The testimonials of servitude of foreigners and British seamen serving in foreign vessels, must be confirmed either by the Consul of the country to which the ship in which the candidate served belonged, or by some other official authority of that country, or by testimony of some credible person on the spot, having personal knowledge of the facts required to be established. Upon application to one of the examiners, candidates will be supplied with a form, which they will be required to fill up and lodge with their testimonials in the hand of the examiner.

26. Candidates are required to appear at the examination room punctually at the time appointed.

27. Candidates are prohibited from bringing into the examination room books or paper of any kind whatever. The slightest infringement of this regulation will subject the offender to all the penalties of a failure.

28. In the event of any candidate being detected in defacing, blotting, writing in or otherwise injuring any book or books belonging to the Board, the papers of such candidates will be detained until the book or books so defaced be replaced by him. He will not, however, be at liberty to remove the damaged book, which will still remain the property of the Board.

29. In the event of any candidate being discovered copying from another, or affording any assistance or giving any information to another, or communicating in any way with another during the time of examination, he will subject himself to a failure and its consequences.

30. No candidate will be allowed to work out his problems on a slate or on waste paper.

31. No candidate will be permitted to leave the room until he has given up the paper on which he is engaged.

32. Candidates will be allowed to work out the various problems by the method and tables they have been accustomed to use, and will be allowed six hours to perform the work. At the expiration of six hours they will, if they have not finished, be declared to have failed, unless the Board of Examiners see fit to lengthen the period in any special case. If, however, the period is lengthened in any case, the special circumstances of that case and the reasons for length-

ening the period must be reported to the Minister of Marine and Fisheries by the Examiners at the time they send in the report.

33. Candidates are expected to bring their answers to all problems within, or not to exceed, a margin of one mile of position from a correct result.

34. From Masters a degree of precision will be required both in the work and in the results, beyond what is demanded from Mates.

35. In every case where problems are required to be worked out, the examination from master is to commence with the problems for mate.

26. In all cases of failure the candidate must be re-examined *de novo*. If a candidate fails, he will not be re-examined until after a lapse of six months' service afloat on the inland waters or sea coast, as the case may be, to give him time to gain experience.

37. Examinations may be held at the following ports, viz.:—Toronto, Ottawa, Montreal, Quebec, St. John, N.B., Yarmouth, Halifax, Sydney, Charlottetown, Winnipeg and Victoria, for the purpose of examining candidates.

NOTE.

As the examination of Masters and Mates is made compulsory, the qualifications have been kept as low as possible, but it is distinctly to be understood that the Minister of Marine and Fisheries may raise the standard from time to time if deemed advisable.
